

Button Hole

...short course & teaching center

Button Hole is the premier short course instructional facility in the Providence area. It consists of a 9-hole short course, a 25-bay lighted driving range, two practice putting greens, a practice pitching and sand bunker area.

Our focus is on the young people. Button Hole is designed to reduce golf's barriers of cost, inaccessibility and playing time.

LaRee Sugg
Head Women's Golf Coach
University of Richmond

A constant on the leaderboard, LaRee's individual accomplishments include a title at the 1998 Aurora Health Futures Classic and two third-place finishes – at the 1997 Indonesi Ladies Open and the 1993 Singapore Ladies Open. Her best finish on the LPGA Tour came at the 2000 Wegman's Rochester International where she placed eighth.

Sally Little
Golf

Held at Button Hole Each Day

SALLY LITTLE

Sally was born in Cape Town, South Africa. She began her golf career at the age of 14, playing and practicing at the Metropolitan Golf Club under the guidance of her father, Percy Little.

Sally's game matured quickly and by the age of 17, she had already enjoyed a successful amateur career. In 1971, she moved to the United States and became a member of the LPGA, starting her professional career.

In 1971, Sally was honored as LPGA's Rookie Player of the Year. She was also recognized in 2000 as one of the LPGA's top 50 players and teachers.

During Sally's career, she won 15 LPGA titles and won 3 major championships. They are as follows:

- LPGA Championship – 1980
- Dinah Shore Championship – 1982
- Canadian Championship – 1988

Sally's natural teaching ability, dynamic personality, and her warm, engaging manner is the reason why Button Hole has invited her to teach for the first time in Rhode Island, a short game school.

Geared toward women (limited to 20 women per day) Sally, along with LaRee Sugg, former LPGA star and now Head Women's Golf Coach at University of Richmond as her assistant, will bring you a program you will not want to miss this season!

THE PROGRAM

Each day will include instruction on all facets of the game. First, Sally will welcome you to the driving range, where she will explain the overall program while giving a demonstration. Next, you will spend time on the full swing, hitting the driver and long irons at the driving range.

Then it's on to the short game. Learn proper techniques for reliable chipping, bunker and wedge play. You'll then move to the practice green, where Sally will give you keys to improve your putting. Finally, you can complete the day with an optional round of nine holes.
